## WYCHEPROOF P-12 COLLEGE

### Parent Contributions 2021

Wycheproof P-12 College works in close partnership with parents and the broader school community to provide the best educational opportunities and outcomes for students both inside and outside the classroom. Through this partnership, parents understand that the **contribution** they make to their children's education, in all its various forms, **has an important role in enriching our school's learning and teaching program and improving educational outcomes.** The commitment from parents (to contribute), benefits students and results in improved achievement outcomes, wellbeing and engagement in learning. **This is why parent contribution is highly valued by the Wycheproof P-12 College school community.**

#### **What can schools charge for?**

The Education and Training Reform Act 2006 provides for instruction in the standard curriculum program to be free to all students in government schools. School councils are responsible for developing and approving school-level parent payment charges and can request payments from parents under three categories only- Essential Student Learning Items, Optional Items and Voluntary Financial Contributions.

**Essential Student Learning Items** are those items, activities or services that are essential to support student learning of the standard curriculum. These are items that the school considers essential for all students and which students take possession of. Parents may choose to provide the items themselves or buy the items from the school where practical and appropriate.

**Optional Items** are those items, activities or services that are offered in addition to or support instruction in the standard curriculum program. These are provided on a user-pays basis so that if parents choose to access them for students, they are required to pay for them.

#### **Voluntary Financial Contributions**

Parents can be invited to make a donation to the school for a general or specific purpose, e.g. school grounds projects, library fund or for new equipment. Only some Voluntary Financial Contributions are tax-deductible.

## WYCHEPROOF P-12 COLLEGE
