POLICY

1. School profile

The College is situated in the small rural town of Wycheproof, which is on the Calder Highway approximately half way between Melbourne and Mildura. Students are drawn from the surrounding areas of Wycheproof and Nullawil, with about 15% travelling by bus. Despite declining numbers due to the economic and demographic impact of the prolonged drought, the College provides an engaging and diverse education from Prep to Year 12. The College has one Year 7 feeder Primary School (Nullawil Primary School).

The College structure includes three levels of schooling: Early Years (P-4), Middle Years (5-8) and Later Years (9-12). There is a strong focus on literacy and numeracy across the school. The College operates a comprehensive curriculum based on the Victorian Essential Learning Standards and students are offered a choice of pathways that include VCE, VCAL or VET. Exceptional VCE results continue to reflect an impressive record in VCE achievement.

For a school of its size, we have impressive facilities and programs including a large sporting complex, spacious well-maintained grounds, specialist rooms, a comprehensive instrumental music program, an ICT rich curriculum and an excellent choice of technology-based subjects. The College runs a variety of cultural and educational programs with the support of its vibrant staff and local community. We are proud of our inclusive school community and seek opportunities to celebrate and recognise diversity. Wycheproof P12 College strives to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially. The school shares a boundary with Mount Wycheproof and as such, opportunities to connect our students to the natural assets of our community are highly valued.

2. School values, philosophy and vision

At Wycheproof P-12 College we have strong expectations of our students and staff. The school motto at Wycheproof P-12 College is 'Be Your Best'. We expect all to be well mannered, hard-working and proactive in their desire to make the most of their educational opportunities. As our population is small, we expect our students to positively contribute to, and support, our community. A safe and strong learning community underlies our focus on teaching and learning. Schools have an important responsibility for keeping children safe. In order to achieve a **zero-tolerance approach to child abuse** Wycheproof P12 College has adopted a **Child Safe Policy and Code of Conduct**. We take advantage of our P-12 structure by offering a unified curriculum, individual learning programs, and sharing of staff expertise across all year levels.

The College is committed to meeting the educational, social and cultural needs of the students through promoting a caring, supportive and educationally challenging environment that provides students with the opportunity to maximise their potential through providing a broad range of cultural activities and setting high academic standards. We are committed to providing a safe, happy and positive environment, with high standards of student behaviour expected and encouraged. **Corporal punishment is not permitted at Wycheproof P12 College.** We aim to build strong relationships amongst students, staff, parents and the wider community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, integrity and kindness at every opportunity. Our school's vision is to empower students to reach their personal best, and fully equip them to contribute positively to society as happy, healthy young adults.

The Values, which form the basis of actions of our College community, are:

COMMUNITY: connectedness to each other and our community

OWNERSHIP: responsibility for our learning and our actions

RESPECT: for each other and our environment

EFFORT: participation, achievement and creativity

These values are demonstrated when:

- All members of the College community feel they are treated fairly
- Partnerships between the College and the wider community are fostered and valued
- Students have the opportunity to learn in a positive, caring environment and are encouraged to become self motivated life long learners

- Success and effort are celebrated and recognised
- The College community recognises and celebrates the differences in ability, race, religion and beliefs of others
- All students are encouraged to achieve their personal best in all that they do

The College Council meets regularly, and the school's leadership team works closely with all staff. Student voice is encouraged through participation in the Student Representative Council (SRC).
