DIARIES

Every child receives a diary which needs to be brought to school every day. For primary students it needs to be read and signed regularly by parents and teachers. It is a good means of communication between home and school. If your child's normal 'going home' arrangements change, please write this in the diary so that their teacher can remind them at the end of the day.

Please DO NOT drive through the staff car park for student 'drop off' and 'pick-up'. This is a safety issue and not for your inconvenience. We ask you to please consider the safety of our students and use the designated carpark at the back of the stadium.

If you would like to speak to any of the teaching staff or the Principal during school hours throughout the term you are reminded to please make an appointment through the office. (Ph. 54937409) This is a process that is in place across all schools in the State of Victoria.
Being a small school means that all staff wear multiple hats and often important preparation is taking place to ensure lessons are supported by the best resources.

STUDENT ABSENCES

The school needs to be notified of a student absence by 10am. A phone call to the school, note in the student diary or an entry on the XUNO family App noting the reason for their absence, are all acceptable notifications. This is to satisfy the legal requirements of the Department of Education and training.

Arriving Late/Leaving Early

Students who arrive late to school or plan on leaving early MUST have a signed note (in their diary/ XUNO absence notification), and must sign in or out using the 'Sign In & Sign Out' book located in the office.

Uniforms

The school uniform is compulsory for all students.

SHOES: Students are to wear black enclosed school shoes or black runners.

SPORTS UNIFORM:
P-4 students are permitted to wear the school sports top to school on the designated PE days.
Yrs 5-12 students are expected to change into their sports uniform for their PE lesson only.

HATS: During Term 1 & 4, children are required to wear a blue, broad brimmed school hat whenever outdoors.

** Please ensure clothing items are clearly named to help with returning 'Lost Property' to its rightful owner.

Secondary School Vaccinations in 2023

The Secondary School Vaccine Program offers free vaccinations to Year 7 and Year 10 students.
These vaccines provide protection against:
Year 7 students
- Diphtheria, tetanus and whooping cough (pertussis) - one injection
- Human Papillomavirus (HPV) – two injections spaced by a minimum of 6 months

Year 10 students
- Meningococcal ACWY – one injection

Parents/guardians of Year 7 and Year 10 students should look out for the vaccine consent forms coming home from school with your child. You need to read the information, complete and return the form regardless of whether your child is being vaccinated at school.
The Buloke Shire Council immunisation service may contact you about the Secondary School Vaccine Program. Schools are authorised to provide basic parent/guardian contact details to local councils for this purpose. Contact the school by 28 February each year if you do not want your contact details given to the Buloke Shire Council immunisation service.
To learn more about the Secondary School Vaccine Program, the vaccines, the diseases they protect against, or how you can prepare your child for vaccination, go to: https://www.betterhealth.vic.gov.au/health/healthyliving/immunisation-in-secondary- schools

Be the best you can be in 2023!

Just a reminder that we have a number of students in our school who have allergic reactions to foods (mostly nuts, fish and eggs).
We do not ban nuts (according to our policy) but we do ask students to be aware of triggers for allergic reactions in other children and how to respond to an anaphylaxis reaction. It is also important that students do not share food.
