It was wonderful to have students and their families join us in the Complex to celebrate outstanding effort and academic achievement amongst our school cohort. Congratulations to all award winners and members of the Junior and Senior Concert Bands, along with Prep-Year 6 students, for their fantastic musical performances

throughout the evening. An extra special congratulations goes to our 2023 School Dux, Kate Thompson, who scored an ATAR of 97.85, which puts her in the top 3% of all Victorian VCE students. Congratulations Kate - 2023 Dux

Kate Thompson is the 2023 Dux of Wycheproof P-12 College with the impressive ATAR score of 97.85. She is the eldest daughter of Suzi Thompson and Brett Thompson and is planning to take a gap year in 2024, travelling and working in Europe. Kate has worked hard over the past three years studying English, Maths Methods, Further Maths (in Year 10), Physical Education (in Year 11), Physics and Specialist Maths. All throughout her schooling, Kate has been an exemplary school leader with a keen interest in studying Chinese

and has been an important member of the Senior Concert Band and various sporting teams (especially swimming). Kate intends to study Engineering at the University of Melbourne after her return from her overseas travels. Wycheproof P12 College congratulates all VCE and VM students on their numerous successes throughout 2023 and many graduates have already secured employment and early entry into tertiary studies next year. We wish them all the best for their future and look forward to hearing about their various endeavours.
